## Model United Nations

Model United Nations (MUN) is a simulation of the actual United Nations organization which was formed after the 2nd World War for maintaining world peace. Partner countries take part in the united nations assembly to resolve conflicts and work towards a better future. MUN gives students an opportunity to represent their country and speak on behalf and address issues, thus helping them become world leaders.

Be ready for exciting prizes and heated debates.

This year we have 5 categories:

1. United Nations Security Council
2. United Nations Children's Fund (UNICEF)
3. World Health Organization (WHO)
4. Special Political and Decolonization Committee (SPECPOL)
5. International Press

Agendas for the discussion will be disclosed only after registration.

- ₹ 500/-
- Per Person
